New Ford Line Here Tomorrow

The 1955 Fords will go on display tomorrow at Oscar Maples at 1420 Cabrillo Ave. Featured in the 1955 series will be the new Fairlane models, introduced this year for the first time.

Black Eye, Broken Jaw Follow Man's Advances

A 26-year-old Torrance woman received a black eye and possible broken jaw Tuesday as she resisted the advances of a man who took her home from playing shuffleboard, sheriff's deputies reported.

At Harbor General Hospital, she told deputies that the man had started to beat her when she resisted his advances. Her purse was missing after the struggle, she said. She was forced to hitch-hike a ride to get aid, she said.

Styling of the new models follows the pattern set by the new Thunderbird sports models introduced in dealer showrooms a few days ago.

Such body-style improvements as a wrap-around windshield, sharply lowered silhouette, dual exhaust systems in certain models, and ultra-high compression engine are included in changes for 1955.

Three engine choices will be offered to Ford buyers during the coming year in the 182-horsepower V-8 in the Fairlane series; the 162-horsepower standard V-8 and the 120-horsepower Ford six.
